II. WORK SESSION

Discussion on partnership between City of Hutto and Williamson County Emergency Services District #3.

Commissioner Brown stated that the ESD #3 board simply wanted to know if the City is interested and willing to work together on the needs of emergency services for Hutto. Each council and board member indicated yes, they were willing to do so. It was suggested that a committee be formed by having the ESD Board President and Mayor Holland appointing the members of said committee. Commissioner Brown stated that Commissioner Miller, Commissioner Cooper and Lieutenant Bocanegra would serve for the ESD. Mayor Holland stated that Councilman/Mayor Pro-tem Smith, Councilman Valdez, Assistant City Manager, Micah Grau will serve for the City. The committee will meet to begin discussions of different options and needs for fire and ems services and gather information to report back to the ESD Board and City Council.
