Contracts and Procurements under GASB Statement No. 94 for Williamson County Emergency Services District # 3.

Please note that Williamson County Emergency Services District # 3 complies with reporting requirements for GASB Statement No. 94 for Public-Public Partnership Arrangements.

Williamson County ESD # 3 does not meet the definition of a service contract arrangement (SCA) so accounts for leases under the guidance of GASB Statement No. 87 as assets are not required to be improved by the operator.

Sincerely,
